No. 6316 Section two
251

Bangalore 17th June 1897

From

The Registrar of the
Chief Court of Mysore

To The Secretary to the
Government of Mysore

Sir,

I am directed to state that the Munsiff of Shimoga applies for sanction to entertain two additional hands on Rs 15 per mensem as his present establishment finds it very difficult to cope with the work of his Court which has been steadily increasing for the last 3 years as will be seen from the statement appended to his letter, copy of which is herein enclosed. The District Judge of Nagar supports the application and suggests that if the Sub Judge of Shimoga be invested with Small Cause powers up to Rs 100 within the Sub division of the Munsiff, the additional establishment now applied for by him need not be sanctioned. The Munsiff now exercises Small Cause jurisdiction up to 50 Rs, and if as suggested by the District Judge the Sub Judge is invested with powers to dispose of Small Cause Suits over 50 Rs and

not

not exceeding 100 Rs in value, the work of the munsiff's will be considerably lightened, leaving no room for the establishment to complain of over-work. I am accordingly directed to request that the Government may be pleased to invest the Sub Judge with Small Cause powers up to Rs 100.

A statement, showing the number of Small Cause Suits of above Rs 50 and not exceeding Rs 100 in value instituted and disposed of in the Shimoga munsiff's Court, is herein enclosed for reference. of the nature of Small Causes.

I have the honor to be,
Sir,
your most obedient Servant,

Munsiff's Court Shimoga
Dated 17th April 1897

From

The Munsiff of
Shimoga

To

The District Judge,
Nagar Division.

Sir,

I have the honor to bring to your notice that the work in this Court has so greatly increased that an addition to the present establishment seems to me to be urgently called for

The following table shows the numbers of Cases filed upto the end of march 1897, and compares the same with the numbers of Cases filed upto the same period in the years 1895 and 1896.

nature of the Cases	number of Cases filed upto the end of			Remarks
	march 1895	march 1896	march 1897	
Original Cases	781	1084	234	-
Execution	889	1202	1410	"
miscellaneous	345	510	575	"

It will be seen that the numbers of Cases filed upto the end of march 1896 were very largely in excess of the numbers filed upto the end of march

march 1895, and the numbers of cases filed up to the end of march 1897 have been still greater than the numbers filed up to the end of march 1896. There has been a steady increase in the work devolving upon the establishment of this Court. The establishment remains the same as in 1895 although the work is nearly double that in 1895.

Excluding the Head Munshi, the nazir, and the Deputy Munshi, who performs the duties of Record-Keeper and other miscellaneous work, there remain five Munshis, of whom 4 are employed in the original Department and 2 only in the Execution Department. The number of hands employed in the original Department cannot be reduced as any reduction will impair the efficiency of the Department and the despatch of work there. The Execution Department is at present manned by only two hands and I know that the large amount of work devolving on the Execution Department, is being done by the said two hands at very great strain of energy and time. Some relief is absolutely necessary to those two hands, and I would strongly beg to recommend that you will kindly move the Chief Court to sanction the immediate entertainment of two hands on rupees 15/- each,

Read
Letter No. 6316/251 dt 17 June 1897 from the Registrar of the Chief Court of Mysore, recommending, as likely to afford relief to the Munsiff of Shimoga and his establishment, that the Sub Judge of Shimoga may be invested with small cause powers in respect of civil suits over Rs 50 and not exceeding Rs 100 in value.

Order thereon.

The proposal is sanctioned with effect from the 1st July 1897 and will be notified in the Gazette.

2. Now that there are 2 additional Munsiffs at Bangalore and Mysore, the Govt will be glad to have the views of the Chief Court as to whether it is not desirable to give the permanent Mnsfs at each of these stations small cause jurisdiction up to Rs 50. This would be a relief to the Sub Judges at these places whose files are very heavy, and would also secure uniformity in that all the three Sub Judges would then exercise small cause jurisdiction above Rs and up to Rs 100.
